

ACCIDENTS AND ACCIDENT REPORTS

Contact me when the accident occurs. (309)648-2424.

Record the accidents on the Accident Report Form.

- If you need forms, they are upstairs in my black folder box by the copier.
- All Accidents need to be recorded, ASAP, while the details are fresh in your mind.

Fill out the form as much as possible, and turn in to me that same day.

- I will complete the missing information.
- If the accident is at an away game turn it in to me on Monday.

A Doctor's Release is required to return to practice.

- Injuries requiring a doctor or hospital visit, must have a release approved by me.

Broken bones.

- If a child has a cast and wants to practice, they must have a Doctor's Release that I approve.
- The cast must be covered with ½" padding and taped every practice.
- To play in any game with a cast, they must have a Doctor's Release dated for that week.
- They must get another Doctor's Release for the next week, and so on to play.
- This is league policy.

CONCUSSIONS OR STINGERS.

- **DO NOT PUT ANY CHILD BACK INTO PRACTICE OR GAME THAT HAS BEEN STUNNED, DUE TO**
- **HELMET/HEAD CONTACT.**
- They need to be evaluated for a period of time.
- No practice or game is worth taking a chance for.
- We need to be cautious.

Medical Kits.

You have a basic First Aid Kit, a more extensive Medical Kit is on top of the Freezer right inside of the foyer.

Call 911.

- If you think you need to call 911, do it.
- No one will question it.
- Take no chances.

If you question any injury, contact me. (309)648-2424. Thank you
